ALVELEY CRICKET CLUB CONTINUES TO MAKE IMPRESSIVE STRIDES BOTH ON AND OFF THE FIELD

Our stats are impressive; we provide a platform for over 70 emerging juniors who are capable of making the step up to senior cricket. We have nearly 3,000 Twitter followers and 600 Facebook fans, our website attracts 50,000 hits each year.

Aspirations of success remain high as ever but needless to say, there are significant costs involved in running and maintaining an amateur club like ours.

The club has an ambitious project earmarked over the coming years. We have purchased a 2nd ground to insure we can offer a safe place for our juniors to play in the future.

We are therefore looking for local businesses or individuals to pledge their support as we strive for further success.

Please back your local club and get in touch! Thank you.
