2019 has been a huge success and we thank every single person who has helped us along the way. From the World Cup Open Day to the Six a Six, all the feedback we have had has been so positive. We have more work to do and look hope you and your family will be part of our exciting journey. Regards, Richard Twigg - Chairman

Four Oaks

The Pavilion work is still ongoing, it has been delayed through no fault of our own. Unfortunately Severn Trent and Western Power have slowed us down.

We are still awaiting a connection for the waste supply, and keep chasing.

We would like to thank We Build It who have kindly supplied us with the tank saving us over 8k-10k.

We have held numerous meetings with the ECB and Sport England, they are looking to fund the next part of the development which we will update you on once we know more.

Once complete Four Oaks will be available to hire for events, functions corporate and meeting. We have a fully licensed and stocked bar, located in a beautiful setting that is idea for families and large or small celebrations.

We also have the capacity to locate marquee on the ground if you are interested in a much larger event.

The facility is there and we want as many people to use its as possible.

Volunteers

Volunteers are the most valuable resource a cricket club has. They are a priceless investment using their time, expertise, passion, quality, and patience for their community clubs.

The club aims to protect and support the resource by ensuring that all volunteers are treated equally and receive quality training, and are welcomed and supported.

What can I do?

The most popular activity is probably coaching, however you can get involved in a wide variety of ways depending on your skills or interests. There are opportunities to coach, assist, organise events, fundraise, get involved in the committee of a local club.

Do I need to be fantastic at a sport?

No, you simply need interest and enthusiasm!

Do I need coaching qualifications?

The club should put you through any qualifications that you need to carry out your role. If funding is not available, it is possible to access funding. You may also get the opportunity to do other courses.

How much time do I need to have?

Most people volunteer on average 2-3 hours a week but there are also opportunities to volunteer more or less frequently.
